

New to You

Sale of used swimming kit

Want a costume and want it cheap?
Need larger fins?

New to You can now be accessed all year round

Please contact me on juliettelongland@hotmail.com and find out if I have what you need. But remember New to You is just a vehicle to past round second hand kit so we do have limited stock.

Due to the success of New to You in 2009 and 2010 there will continue to be a table top sale of used and new swimming kit during the Mini Meet Series

Ideal items to sell: Swimwear, drag shorts, hats, fins and goggles (including broken ones for spare parts).

Please do not bring t-shirts or other poolside clothing.

If you have a single fin due to one being broken or missing, please bring it along, we might have a partner for it.

If you have any items to sell please get them to me via committee, at the table top sale or you can email me and arrange a time to meet
