

# CITY of PETERBOROUGH SWIM CLUB

## Supporters Package

We are always looking for new supporters / sponsors. We are a non-profit organisation, run entirely by volunteers. The only Club staff receiving payment are our Club Coaches.

All funds generated by Supporters contribute to the costs of pool rental, coaching, timing equipment, training aids, and administration.

The City of Peterborough Swim Club provides a safe competitive swimming environment for over 250 local swimmers. We have swimmers representing the Cambridgeshire County team, and we have numerous swimmers competing at the East Region and National Championship level.

It's not often you get a chance to advertise your business, and help a great local sporting team, so come on why not contact us now ready for the new season.
